About Newedge

Newedge, a 50/50 joint venture between Société Générale and Calyon, is a major force in global multi-asset brokerage business, with a world-leading position in the execution and clearing of listed derivative products. With a presence in 25 locations, Newedge offers a full range of clearing and execution services covering options and futures contracts for financial products and commodities, as well as for money market instruments, bonds, FX, equities, and commodities on OTC markets. Newedge provides a range of value added services, including prime brokerage, asset financing, an electronic platform for trading and order routing, cross margining, and the centralized reporting of client portfolios. Newedge, which primarily serves institutional clients, provides access to more than 80 exchanges. Newedge's 3000+ employees form a close-knit, multinational team that can innovatively respond to its clients in fast-moving markets. For more information about Newedge Group, www.newedgegroup.com

Disclaimer

"Newedge" refers to Newedge Group and all of its worldwide branches and subsidiaries. Newedge Group is authorized by Banque de France.
